

THE PUSHROD

Volume 08, Issue 1
February 2018

From the Front Seat

Bill Scherer, President

Wow, just when you think the weather is improving and we are going to coast through an easy winter, BAM Mother Nature reminds you that she is still in charge.

Well this year's club anniversary party was another great time. It was nice seeing some members that haven't been able to make some of the club meetings in a while. The new food selection of prime rib looked really good, and by the number of clean plates there were, I would say it was.

It was brought up after the dinner that in two years it will be the club's 50th anniversary, and for that dinner we should look for a featured speaker for the evening. I know we are 2 years out from the event, but nothing like getting a head start.

Finally, THANK YOU Walt, for taking care of the collection of the invitations and working with Albanese's. It was a wonderful evening. Also, thank you to Joey and everyone at Albanese's for taking care of us not only on our special night, but during our monthly meetings, as well.

Next event up for us is the Sweets Auction on February 25th, so please bring your sweets and not so greasy car parts, along with yourself to a day of fun and camaraderie. Also, on this day will be the club nominations because at our March meeting will be holding the club elections. As of right now, all the incumbents have volunteered for a second term, but this should not stop up you if you want to run.

Sunday, April 25th is the date of our spring meeting, it will be held back at Lake Ivanhoe. We need to get the menu together, last year we had too much food. So, we need to decide on what we are going to have. Like last year, the club is providing the main meal, the only thing different this year is that the club is only going to provide bottled water. You will need to bring your own adult beverages and pop.

Walt, received word from Ken Frenz, that we are welcomed to join a car show that Captain Bob is having at Cousin's Subs on Friday June 1st from 5:00 to 9:00 pm. It will up to us if we want to attend.

Well that's all I have for now, looking forward to seeing you later this month.

Bill

48th Anniversary Dinner

Walt's Thoughts to Ponder

Walt Baranowski

**Everything we need to know about life,
we can learn from Noah's Ark...**

- One:** Don't miss the boat.
- Two:** Remember that we are all in the same boat.
- Three:** Plan ahead, it wasn't raining when Noah built the Ark.
- Four:** Stay fit. When you're 600 years old, someone may ask you to do something really big.
- Five:** Don't listen to critics; just get on with the job that needs to be done.
- Six:** Build your future on high ground.
- Seven:** For safety sake, travel in pairs.
- Eight:** Speed isn't always an advantage. The snails were on board with the cheetahs.
- Nine:** When you're stressed, float a while.
- Ten:** Remember, the Ark was built by amateurs; the Titanic by professionals.
- Eleven:** No matter the storm, when you are with God, there's always a rainbow waiting.
- Twelve:** Not everybody is always welcome. In Noah's case, the woodpecker might have to go!
